DETERSIVE AND SEDATIVE CREAM.

THIS unique and invaluable invention supplies a desideratum of great importance. It has the quality of thoroughly cleansing the Hair and Skin of the Head of all scurf and dust, instantly allaying irritation, from whatever cause, and imparting a salutary tone to the nerves of the scalp. In addition to these benign influences, its emollient and nutritive virtues are surpassed by any other preparation; and no Pomade or Oils are required, as it combines these in its composition, producing a glossy soft curl.

UBSDELL'S POMADE.

FOR THE GROWTH OF THE HAIR.

100,000 Customers have testified that it's

"the best ever used."

WITH a reputation unparalleled, continues on the increase in public estimation; and the successful results of the last quarter century have proved, beyond question, that it is endowed with singularly nourishing powers in the growth and restoration of the Human Hair, and when every other remedy has failed.

It prevents it from falling off or turning grey to the latest period of existence—strengthens weak hair—restores a thick and luxuriant growth—and makes it BEAUTIFULLY SOFT, CURLY, and GLOSSY. In the growth of WHISKERS, EYEBROWS, and MOUSTACHIOS, it is infallible in its stimulative operations. Nearly 100 Physicians have recommended it as forming the basis of a beautiful head of hair.

EXTRACTS FROM TESTIMONIALS BY CONSENT.

Mr. Ubsdell,—Sir, before commencing the use of a second bottle of your Neuis-foot Pomade, I beg to say my hair ceases to come out, and the new hair is growing quite fast, therefore I have much pleasure in forwarding my testimony, and only regret that I had not heard of your Pomade sooner.

"I was nearly Bald 4 years, but I find now hair coming rapidly." "MISS THOMPSON, Jubilee-terrace, Southsea."

"Thanks to your Pomade, I have now a good Moustache, and Whiskers." "G. BAKER, Cold Harbour, Gosport."

"I have lost my Bald Patches, my Hairdresser speaks highly of your Pomade. "Major STEWART, High-street, Portsmouth."
